

# Optimize Your Company's Contract Skills with Our Training Membership

## **How to Contract membership is designed to help your legal and business teams excel.**

As members, your in-house attorneys and professionals receive contract insights, resources, and readymade tools they need to become more effective drafters and negotiators. How to Contract membership lightens your load by making everyone around you better. Your company will see these benefits:

**Turn less experienced employees into skilled contract professionals**

Enjoy **scalable development** without time-consuming, hands-on training

**Spend less time reviewing contracts** because your team gets them in better shape before they hit your desk

**Lift senior lawyers out of the weeds** to focus on critical needs requiring their expertise

# How to Contract Membership Offers Expert-Led, Practical, and Scalable Contract Training

We help your people become more productive without sacrificing your company's contract quality or protection. Laura Frederick packaged her insights and expertise into a manageable program for all of your stakeholders.

How to Contract members have access online or through our app to:

**25+**

**hours of on-demand practical videos**

**44**

**checklists, guides, and other job aids**

**380+**

**of Laura's contract tips available online**

Members also receive:

**Regular "Ask Me Anything" calls with Laura (annual members only)**

**Free membership to TermScout's contract data tools and database (valued at \$1,200)**

**Member-only LinkedIn group to connect, share ideas, and ask questions**

**Member discounts for How to Contract events**

# Strengthen Your Team's Skills at an Affordable Rate

Investing in your people is a must-do for real business growth, but it shouldn't require an agonizing budgeting exercise. How to Contract membership offers high value without the high cost.
